

Dear Randy,

I would like to again request the use of your Reserve Police Officers for the upcoming Miss Asia USA Pageant, to be held at the Alex Theatre and for the VIP reception immediately following the event. The pageant and reception will be held on Saturday, April 29, 2006.

This event brings Glendale into the spot light as a true multi-cultural community that it is. For the first time, the pageant will be subsequently broadcast on local and international television demonstrating the city's multi-ethnic makeup. Charter Communication and ImaginAsian TV will broadcast the event to over 6,000,000 homes.

I would like to use the reserves for parking and crowd control. They have volunteered their time and worked this event for us in previous years. They not only performed in a truly professional manner, but demonstrated to our many visitors the quality of our Police Department and its community participation.

Our Reserve Officers dedication and volunteering for this community event is a proud factor not only of your department, but of the City of Glendale. I will do my best to see that the Reserve Officers are recognized for their assistance.

We would need to have to the Reserve Officers assigned from 3:00 pm to approximately mid-night. Not all would have to be there that long. Most would be serving from around 4 or 5:00 pm until 9:00 PM.

Please let me know if we can utilize the Reserve Officers as we have in the past.

Sincerely,

Dave Weaver
