June 22, 2010

Honorable Don Knabe
Los Angeles County, 4th District
Kenneth Hahn Hall of Administration
500 West Temple Street, Room 822
Los Angeles, CA 90012

Dear Supervisor Knabe:

The Rolling Hills Estates City Council has been very impressed by the continued efforts of Palos Verdes Dog Park Supporters to generate Peninsula resident support, donations, and information about the future development of a Dog Park in our region. The organization has provided a significant amount of information regarding the design, project cost estimates, maintenance, regulations, and supervision of a proposed Dog Park at several City Council and Park & Activities Commission meetings.

As the Los Angeles County Parks and Recreation Department considers developing the former Palos Verdes Landfill, a small area of this large site would certainly be able to support the needs of dog owners from around the South Bay. Therefore, the Rolling Hills Estates City Council strongly supports the development of a Dog Park on the former Palos Verdes Landfill.

If you or your staff would like to meet on-site to review the City's and Peninsula Dog Parks, Inc.'s interest in this proposed project, we are available to meet at your convenience. As always, the City of Rolling Hills Estates appreciates all the assistance and services provided by the Los Angeles County 4th District Supervisor's office. Should you need any additional information about this project, please contact Andy Clark, Community Services Director at (310) 377-1577 ext. 109.

Sincerely,

John Addleman
Mayor
