**Instructions for
Schedule A
Monetary Contributions Received**

Report monetary contributions (except loans) received during the reporting period on Schedule A. Also report on Schedule A if a contributor forgives a loan for you or a third party pays a loan for you. Loans received during the period are reported on Schedule B. Certain transfers between a state candidate's controlled committees are also disclosed on Schedule A. (See FPPC [Campaign Disclosure Manual 1.](#))

If a total of \$100 or more is received from a single contributor during a calendar year, report the name, street address, city, state and zip code of the contributor, the amount contributed this period, and the cumulative amount received from the contributor since January 1 of the current calendar year.* Include monetary and nonmonetary contributions and loans when reporting the cumulative amount.

Contributions totaling less than \$100 received from a single contributor during a calendar year are reported as a lump sum on Line 2 of the Schedule A Summary.

*There are exceptions to the calendar year "cumulation period" for candidate elections and ballot measure elections held in January and early February, and for ballot measure qualification activities. (See the FPPC [Campaign Disclosure Manuals](#) for candidates and ballot measure committees.)

Date Received:

A monetary contribution has been received when the candidate or committee, or an agent of the candidate or committee, receives or obtains control of the check or other negotiable instrument. There are special rules for reporting the date contributions are received by a committee that collects

contributions through employee payroll deductions or membership dues.

Contributor Codes:

For each itemized contributor, check the applicable contributor code:

IND—contributions from any individual's personal funds.

COM—contributions from other committees that receive contributions. These committees will have an identification number assigned by the Secretary of State. Examples: political action committees, other candidates' committees. (State committees should use PTY or SCC when appropriate.)

OTH—business entities and other contributors.

PTY—contributions from political parties (including state and county central committees).

SCC—contributions from small contributor committees (applicable only to state candidates and committees).

Contributions from Individuals:

When itemizing a contribution from an individual, also disclose the contributor's occupation and the name of his or her employer. If the contributor is self-employed, provide the name of his or her business. If the contributor is not employed, enter "none."

It is not necessary to enter occupation and employer information for other types of contributors (such as business entities).

Missing Contributor Information: A contribution of \$100 or more must be returned to the contributor within 60 days if the recipient does not obtain the contributor's address, occupation and employer.

Contributions from Committees:

When itemizing a contribution from another recipient committee, disclose the identification number assigned to that committee by the Secretary of State in addition to its name and address. If no ID number has been assigned, provide the name and address of that committee's treasurer.

Intermediaries:

If you receive a contribution through an intermediary (i.e., you have received a contribution check from a person other than the true source of the funds), disclose all of the required information for both the intermediary and the actual contributor.

Per Election to Date:

Candidates subject to state contribution limits (or if required by local ordinance) must disclose the cumulative amount received from each contributor during the limitation cycle in addition to the calendar year cumulative amount. (Candidates for elective state office should refer to FPPC [Campaign Disclosure Manual 1.](#))

Additional Important Information:

Refer to the FPPC [Campaign Disclosure Manual](#) for your type of committee for important information about aggregating monetary and nonmonetary contributions, recordkeeping, prohibitions on cash contributions, returning contributions, and more.
