

To Whom it may concern,

I am a senior at Upland Christian Highschool. I have gone to Upland Christian since junior high. This school has had a big impact on my life. If it weren't for this school I would be walking away from God. The teachers and staff here are amazing. They care so much for us as a school and also, individually. In junior high my friend was doing things that could really hurt her. The teachers really cared and helped her through it. Now she is a better person and is walking with God. I was really shocked when I found out about this whole situation. I know God has a plan for whatever happens. Its all going to work out in the end. As long as we keep our eyes on God. I hope that this whole thing will just glorify God. I love this school ~~and~~ ~~and~~ ~~and~~ and hope things work out.

Sincerely,
